DECLARATION
OF
W. EDWARD RAMAGE

Comes now W. Edward Ramage, as representative of the Applicant in Application Serial No. 10/666,387, and declares under penalty of perjury as of the date below that the copy of the specification from Application Serial No. 09/795,645, accompanying this Declaration is a true and correct copy of the complete original specification of Application Serial No. 09/795,645, and the copy consists of the same material that was incorporated and amended by reference by intent of the Applicant in the current application, Application Serial No. 10/666,387.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

W. Edward Ramage, No. 50,810
